## Shopping Buddy Program

Entering the 4th year of the Shopping Buddy Program, volunteers continued to assist us by becoming the chauffeurs and shopping buddies for underprivileged families, where they are being brought to shop for their groceries worth RM100. In the first quarter under review, Great Vision Charity Association (GVCA) aided 33 poor and underprivileged families from PPR Pantai Ria. Three shopping events took place at Giant OUG Plaza, Old Klang Road. Special thanks to Giant OUG Plaza for generously sponsoring goodies bag to all participants of the program, including volunteers and our clients.

### CLIENTS ENROLMENT THROUGH HOUSE VISITATION AT PPR

Our social worker conducts visits to several houses to interview and assess the background of the underprivileged families before enrolling them for the Shopping Buddy Program.

*“Through house visit assessments, we get to learn more about these underprivileged families, the challenges that they face, and how we can close the gap by offering a temporary financial relief for the needy ones through the Rakan Shopping Program.”*

*—Mun Yan, social worker of GVCA*

## PRUkasih Program

PRUkasih is a free protection plan offered to urban low-income families that provides them with temporary financial relief to help the families cope with sudden loss of income due to illness, accident, or death. A brainchild between Prudential Assurance Malaysia Berhad and NGO Yayasan Generasi Gemilang, Great Vision Charity Association acts as a partner to deliver the program to the residents at PPR Pantai Ria.

In the quarter under review, a total of 92 residents from 75 households have been successfully enrolled for the program via monthly recruitment drive and house visitation that has been conducted at PPR Pantai Ria.

## Didik-Kasih EduCare Program

The Didik-Kasih EduCare program aids underprivileged students in pursuing their tertiary studies by providing them with study aid fund. In return, the students are groomed to organise and lead a charity project to give back to the society. In the first quarter of 2018, 3 candidates of the program have conducted 3 separate charity events as their projects for the program.

### TOUR TO PETROSAINS WITH CHILDREN

Candidate Kartini organised a tour to Petrosains for 25 children of Pusat Aktiviti Kanak-Kanak Chow Kit, accompanied by 15 volunteers. The children had a fun session learning about the science concepts behind petroleum-related topics through various interactive games and experiments. Kartini demonstrated her dedication and leadership skills throughout the planning and execution of the event.

### HAIRCUT SERVICE FOR CHILDREN

Candidate Azlan conducted a haircut service for the children of Rumah Ikhlas. Azlan and his college mates from the Kingswright Hair Academy worked together and delivered a haircut service to the 20 children there. Being an outgoing person, Azlan did a great job leading, entertaining, and bonding with the children. After the haircut session, a briefing about hair care tips was given to the children, with the children being very happy and satisfied of their new look.

### CARE SESSION WITH OLD FOLKS

Candidate Mior and his friends spent a wonderful morning delivering love and care to 40 needy old folks from the Pusat Jagaan Ebenezer Home. They interacted with the old folks through games, singing, and dancing sessions. Mior and his friends also helped some of the old folks to cut their hair and trim their finger nails. The event has successfully brought cheers to the old folks and it was also a good learning experience for the students in community service.
