Shopping Buddy Program

In the second quarter of 2019, volunteers continued to assist us in becoming the chauffeurs and shopping buddies for 30 low income families from PPR Pantai Ria to shop for groceries. Ten low income families were selected every month through house visit assessment by GVCA's social workers to assess the family background and financial situation of the family. Each family received RM300 grocery support, with RM100 coming from GVCA and RM200 from GHCA.

VOLUNTEERS' TESTIMONIAL

"I witnessed something that I had never encountered before in my life. I learned that I am extremely fortunate to be able to provide and spend without worrying about feeding my dependents. I was raised in a conducive family and I don't have to go through what the PPR residents are experiencing. I strive hard in my career and was well rewarded. Unfortunately, not everyone has the same luxury as I. Some of the households were earning less than RM3,000, yet they must feed the mouth of 5-6 at home. Worst, everyone is living in one crowded home."
