Shopping Buddy Program

In the third quarter of 2020, 80 low income families from PPR Pantai Ria benefitted from the monthly Shopping Buddy Program that help to ease their household burden. Safety SOP were implemented throughout the activities, with face mask requirement, temperature taken, and hand sanitisation compulsory for every individual. Special thanks to Yayasan Kosan, who donated 40 sets of grocery care packs in Aug 20, and OKBB Sdn Bhd, who donated 80 sets of face mask and hand sanitisers in Sep 20.

TESTIMONIES

BOEY (OKBB representative, 2nd from left)

"OKBB are pleased to be able to support the association by distributing face masks and hand sanitisers to our B40 friends. Knowing that they had been suffering during MCO, we do hope that our small contributions could lighten their burden during this challenging time!"

SCOTT (volunteer, left)

"It was really nice seeing everyone come together to help, although almost everyone didn't know each other. It was nice working with new people too as we adapted well. It was also heartwarming to see the joyful expressions reflected by the recipients after they had received their goods. It does come a long way for them".

PRUKasih Program

In the third quarter of 2020, 45 residents enrolled in the program via our monthly recruitment drive and house visitation. A total of 13 claims for illnesses, accidents, and death, amounting to RM18,144 have been approved for disbursement to the affected members in the quarter under review. In Jul 20, 1800pcs of face masks were also distributed to PRUKasih members aged 60 years old and above to protect them from the pandemic.

PRUKASIH HIGHLIGHTS

Meanwhile, her meal vouchers obtained were used for buying household items and groceries.
