

Addressing the importance of education and its role in our society, GVCA runs three major programs for the underprivileged communities:

- *Shopping Buddy Program*
- *PRUKasih Program*
- *Didik-Kasih EduCare Program*

## Shopping Buddy Program

In the first quarter of 2022, 60 families from PPR Pantai Ria participated in the monthly Shopping Buddy Program that ease their groceries burden. Our team assisted 20 different low-income families to obtain their customised grocery wish list every month, with volunteers then acting as the families' Shopping Buddy' to help each families get their groceries as per their wish list. Each family were provided with RM200 worth of customised groceries support that is also aimed to give them a well-balanced nutritional diet intake for their families.

### VOLUNTEER'S TESTIMONY

#### EVE YONG (volunteer)

*"I've been joining the Shopping Buddy sessions a few times already. I enjoy volunteering in the program as the needy families' Shopping Buddy. When I buy goods and groceries for them during the session, I choose the best for them. I feel my time can be filled well when doing charity work and giving back to the community".*

## PRUKasih Program

In the first quarter of 2022, GVCA is still serving the PPR Pantai Ria community remotely for the PRUKasih Program. Claims activities see a marked reduction, with the decreasing number of residents being affected by Covid-19. Claims related to accidents, illnesses, and deaths totalling RM29,728 has been approved and disbursed to 18 affected families in the quarter under review, with 5 of the families receiving a Financial Education training provided by our social workers.

### PRUKASIH HIGHLIGHTS

#### MOHD AFIL (ILLNESS CLAIM)

Mr Afil works as a food delivery rider. He was diagnosed with a ruptured intestine and had to undergo a surgery for his condition. As a result, he was unable to work for 2 months, and thus could not earn a living in this period of time. With the claims from PRUKasih, he was glad that it enabled him to concentrate on recuperating.

#### RAMAH GALI (DEATH CLAIM)

Mdm Ramah Gali passed away due to chronic diabetes. She leaves behind a daughter, who is a single mother, and her young grandchildren. Thus, her husband, Mr Firdaus, will utilise the death benefit received from PRUKasih to take care of their grandchildren and daughter.

## Didik-Kasih EduCare Program

In first quarter of 2022, 26 candidates are enrolled in the program, with each candidate being provided with start-up assistance and monthly study allowances for their tertiary education, while guidance were provided to them to organise a charity project to give back to the society.
