

Addressing the importance of education and its role in our society, GVCA runs three major programs for the underprivileged communities:

- *Shopping Buddy Program*
- *PRUKasih Program*
- *Didik-Kasih EduCare Program*

Shopping Buddy Program

In the second quarter of 2022, our Shopping Buddy Program provided personalised groceries aid to 75 families from PPR Pantai Ria to ease their household burden. Our team assisted 20 to 35 low-income families monthly to obtain their self-picked grocery wish list worth RM200 every month, with our team of volunteers acting as the families' Shopping Buddy' to help them get their groceries that is also aimed to provide them with a nutritional balanced diet. In Jun 22, GVCA received the MyICE grant that enabled us to support 35 families for that month.

VOLUNTEER'S TESTIMONY

ROZINA (volunteer)

"It was my first time joining Rakan Shopping and it was very different compared with the other volunteering projects that I've joined. I have to choose the groceries listed by the beneficiaries and send it to them thereafter. And GVCA Social Worker, Nazihah was right when she said, "We choose what we eat," because when I buy groceries, I will choose the best for myself. So, when we buy the goods for the families, automatically, I incorporated the same practice because I also want the best for the beneficiary family".

PRUKasih Program

In the second quarter of 2022, GVCA resumed physical service for the PPR Pantai Ria community. During this quarter, we have assisted 17 families with claims related to accidents, illnesses, and deaths, totalling RM21,496 in funds that were approved and disbursed to the affected families. 12 of these families were further provided with Financial Education training by our social workers to enhance their knowledge.

PRUKASIH HIGHLIGHTS

PUTERI NURUL AZRIZZA (ILLNESS CLAIM)

Mdm Puteri is a kindergarten teacher with chronic asthma. Due to her illness, she had to be on sick leave quite often, which affected her income. With the claims received from PRUKasih, she was able to use it to cover some of her expenses during her treatment period.

MUHAMMAD SYAMIR (ACCIDENT CLAIM)

Mr Syamir works a food seller. He was injured in a work accident, where the stove exploded and burnt his arm. He is currently recuperating. With the claims received from PRUKasih, he is able to buy his daily necessities with peace of mind.

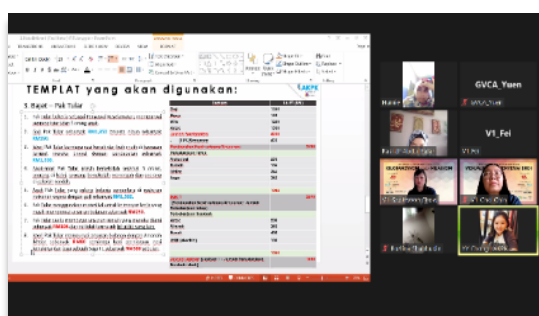

THULASIMANI A/P RAMAN (DEATH CLAIM)

Mr Thevandrakumar is the son and beneficiary for Mdm Thulasimani, who passed away due to a heart attack. With the death benefit received, he is able to pay for his family's rental, housing needs, and setup an emergency fund.

PRUKASIH CONGREGATED FINANCIAL EDUCATION

On Jun 22, a PRUKasih Congregated Financial Education online workshop was conducted for the PPR residents. In the session, participants were taught on how to better manage their personal finances, with many practical hands-on approach and examples via simulated role playing sessions. Participants were also made aware on the importance of savings and are encouraged to save for emergencies.

Didik-Kasih EduCare Program

In second quarter of 2022, 32 needy tertiary education students are enrolled in the program, which provides the students with start-up assistance and monthly study allowances for their studies.
