

Addressing the importance of education and its role in our society, GVCA runs three major programs for the underprivileged communities:

- *Shopping Buddy Program*
- *PRUKasih Program*
- *Didik-Kasih EduCare Program*

Shopping Buddy Program

In the final quarter of 2022, 60 families from PPR Hicom benefited from our Shopping Buddy Program that helps to ease the burden of 20 different low-income families every month. Each family was provided with RM200 worth of customised self-chosen groceries aid, with volunteers acting as the families' shopping buddies to help them obtain their respective selected groceries that is also aimed to give them a well-balanced nutritional diet intake.

VOLUNTEER'S TESTIMONY

VILSON (volunteer)

"This is the first time my wife, son, and I volunteer for this kind of program. I learned a lot about B40 families. For myself, I can buy everything that my family need. But through this program, with a very limited budget, I had to choose the best and what is really needed for the beneficiary. This has made me self-reflect on how the breadwinner of the family struggles to support the family."

PRUKasih Program

The fourth quarter of 2022 marks the end of the PRUKasih program, which will be rebranded into a new paid insurance plan in 2023 that will thereafter be run by Prudential Assurance. This quarter, 11 families were assisted with PRUKasih claims related to illnesses, accidents, and death, totalling RM15,338 in funds that were approved and disbursed to the affected families.

PRUKASIH HIGHLIGHTS

ROSTAM BIN ARSHAD (ILLNESS CLAIM)

Mr Rostam, personal driver, had post-accident complications and had to undergo a 37-days treatment. With the claim money received from PRUKasih, he was able to cope with some of his expenses while recuperating.

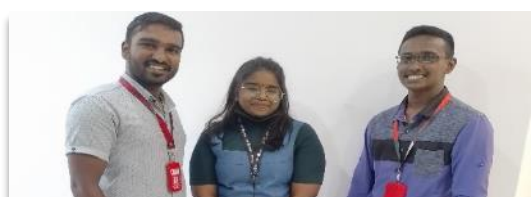

OTHMAN BIN MOHD NOOR (DEATH CLAIM)

Mr Othman passed away from kidney failure, leaving behind his widow, Mdm Esah, who is a housewife. With the death claim that covers food and housing allowance for a year, Mdm Esah is able to have peace of mind while planning for her next phase in life after her grief period.

Didik-Kasih EduCare Program

In final quarter of 2022, 28 needy tertiary education students are supported under our Didik-Kasih EduCare program that provides the student with not only start-up assistance and monthly study allowances, but also guidance and mentorship to serve the needy society. Special thanks to GlobalGiving, Wipro Unza, and Octa Fx for their support this quarter.
