

Addressing the importance of education and its role in our society, GVCA runs three major programs for the underprivileged communities:

- *Shopping Buddy Program*
- *PRUKasih Program*
- *Didik-Kasih EduCare Program*

Shopping Buddy Program

In the first quarter of 2023, our Shopping Buddy program extended support to 60 families from PPR Hicom to ease their burden. Every month, our team of volunteers acted as the shopping buddies to shop and delivery groceries for 20 different low-income families selected, where each family will be provided with RM200 worth of customised groceries that are self-picked by each of the respective families to give them a well-balanced nutritional diet intake.

BENEFICIARY'S TESTIMONY

POOVANESH (photo, left)

"I feel very thankful for the groceries provided. This is the first time that I have gotten to choose so many necessities that I have been really wanting to get for my family. I would also like to extend my appreciation to my volunteer shopping buddy for sparing some time on their weekend to help get and deliver the groceries to my family. Thank you Great Vision!"

VOLUNTEER'S TESTIMONY

RAJESWARY (photo, left)

"I felt very happy, proud, and blessed to be here. I am especially glad to be able to help out the B40 families through the Shopping Buddy program. We may not get to be volunteers all the time, as not everyone gets the opportunity to act as a volunteer, especially during festive times. By joining a charity program such as this, I realise that there are still many unfortunate families out there who need all the help that they can get."

Didik-Kasih EduCare Program

In Q1 2023, we supported 30 needy tertiary education students compared to 26 students in Q1 2022. Each student is provided with start-up assistance, monthly study aid, and mentorship to serve the needy society. Special thanks to GlobalGiving, Wipro Unza, and Octa Fx for their support this quarter.

SPECIAL UPDATE – DIDIK-KASIH MEET & GREET 4.0

A Meet & Greet session was held on 5 Mar 23 to gather all our current Didik-Kasih students to meet up with their attached mentors and peers. This was the fourth edition of such gathering and is attended by 16 Didik-Kasih students, including newly enrolled ones. During the Meet & Greet session, the students participated in an ice breaking activity to get to know one another, before being briefed about the Didik-Kasih program, their roles to play as a participating volunteer, as well as guidelines on conducting their own charity projects. All the students attending were happy to finally meet up with one another. Although all of them were from different backgrounds and fields of studies, they were able to share their knowledge and experiences, get to know each other, and discuss their potential team charity projects together. The students also get to strengthen their existing bond with their peers and mentors over a luncheon session together. By the end of the Meet & Greet session, they are closer to one another, with some even registering themselves on the spot as volunteer for their peers' upcoming charity projects.
